City of North Miami Manager

Mr. Aleem Ghany

City of North Miami

776 Northeast 125 Street,

2nd Floor

North Miami, FL 33161

Dear Mr. Ghany,

We would like to thank the City Council for the opportunity given to MAJ Investment Group LLC., to coordinate the 2014 First Annual North Miami Mardi Gras. As you are aware, due to various reasons related to the past administration, the originally City Council approved event was cancelled.

In light of the important impact of such an event in the community and given the city's upcoming 70th anniversary, at the urging of various interested parties and North Miami citizens, we would like to present a revised structure for the 2016 North Miami Mardi Gras for consideration by the City Council.

* MAJ Investment Group LLC., or assignee will request One (\$1) Dollar payment by law or NO CASH PAYMENT for consideration of this agreement to organize and stage the 2016 North Miami Mardi Gras.

* Projected date of the 2016 North Miami Mardi Gras is February 14, 2016.

- * The city will be the sole recipient of all sponsorship benefits from the various corporations involved in the 2016 North Miami Mardi Gras and will be responsible for costs relating to production of the event.
- * MAJ Investment Group LLC., or assignee will be engaged as the sole consultant to coordinate and organize staging of the 2016 North Miami Mardi Gras and will be given exclusive concession rights at no cost to the city.

We hereby request that our proposal be put on the next City Council Agenda in October 2015 since time is of essence.

Thank you for your consideration.

Cordially,
